

Pray particularly for the team running two services at HMP Garth on the 5th of November.

**Scotland** – Please continue to pray for those who have been attending the recent Christianity Explored course and are now preparing for Discipleship Explored. A number of them say that they are benefiting from these courses. Please pray that the Holy Spirit would enlighten their dark minds and that we would see true conversions amongst them.

Please pray too for the men that attend the weekly service and for the Daylight chaplain who preaches the message of salvation they so desperately need.

**West Yorkshire PSG** – Give thanks for this new Prayer & Support Group and pray for them as they meet for the second time on the 18th of November.

Please pray particularly for fruit from recent meetings with the chaplaincies at a couple of their local prisons.

## Daylight Newsletter November 2017

At a recent service in a prison we visit regularly, with a congregation of over sixty prisoners, one of our volunteers gave a message from John chapter eight verse 12, where Jesus says, "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."

He said that we may have followed people in our lives and then regretted it because they have led us the wrong way, so we need to make sure that we are following the right guide.

He explained that Jesus was the one guide who would never lead us astray and that if we are following Him, we no longer walk in darkness but have that light of life.

Please pray that the Lord would use this message to speak to the prisoners and prison staff that were present.

In another prison at a recent Bible study, one of our volunteers was talking to a very disturbed man who is due to be released soon. Our volunteer encouraged him to take on board the message he'd heard and to make sure his sin was forgiven by Jesus and he knew Him as his Saviour.

The prisoner has a catholic background and said he was sure God was with him but he was not prepared to confess his sin. He said he wants to help the homeless on release and seemed to want to save lots of people himself but could not see that he needs saving first.

Please pray that this man would see that his works will not save him and that he would turn to Christ for salvation.

**Thank you for your support.**
